## Special Religious Education (SRE) and Special Education in Ethics (SEE) Participation Letter

February 2024

A feature of the NSW public education system is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website <https://killarneyh-p.schools.nsw.gov.au/> provides information on these options to support parent/carer choice.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing. Requested changes made during the school year will normally be actioned at the start of the next semester.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE or SEE option is not available please contact the approved provider. Students not attending SRE or SEE are given supervised alternative meaningful activities.

The following options are available at Killarney Heights Public School. Please choose one and return the slip to the front office ASAP. The program will begin in Week 5 of Term 1.
